

Are you a leader?

A leader can lead only as far as she has traveled herself!

Use common sense

Be honest and sincere

Earn respect and dependability

Be confident and loyal

Be exciting and enthusiastic

Take a theme of your own

Be poised and active

Be humble and gracious

Be a good listener and interested

Treat others as you would like to be treated

Delegate authority

Plan programs ahead of time

Always give credit

Speak loud, clearly and to your audience

Look your part:

Always be neat and clean

Know your function

Dress accordingly, but always comfortably

REMEMBER

“Our leaders represent not only themselves, but our organization as well.”

Smile!
